

Help us educate moms about safe sleep and earn \$200.

Join our safe sleep discussion, Friday, Sept. 13 at 5:30 p.m.

The state of Michigan wants to help moms keep their babies safe while sleeping. To make sure we're using the right messages to reach all moms, we're looking for **indigenous women** to participate in focus group discussions about safe sleep practices.

The discussion will take place over Zoom, so you don't need to travel. To qualify, you must:

Be the mother of a child 12 months or younger, OR be pregnant

Have access to a laptop, PC or phone that has a strong internet connection. Use of your web camera is encouraged but not mandatory

Be willing to fully participate for the entire 60-to-90-minute session

If you are chosen to be part of the focus group, you will be paid \$200 for your participation!
